

## Belly Band (Award & Graduation Cap)

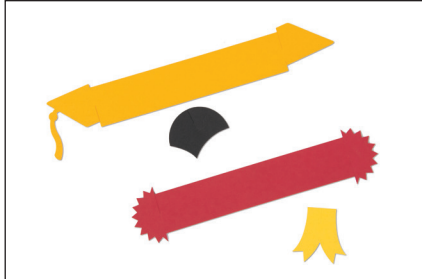

Figure A

Figure B

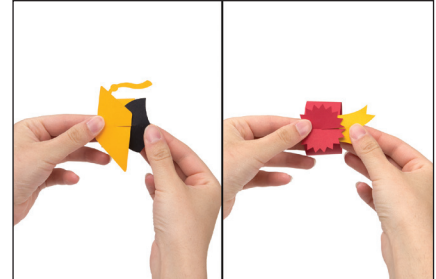

Figure C

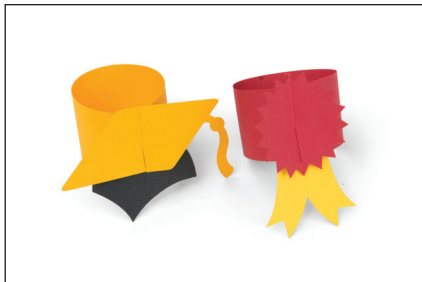

Figure D

Figure E

Figure F

**The teacher will die-cut the materials for student use prior to the lesson.**

1. Die-cut the belly bands from colored paper (to match your school colors if desired) (Figure A).
2. Trim different colored parts, and layer on top of the base shape to help the graduation cap and the award seal to stand out (Figures E & F). You can also add details with crayons or colored markers.
3. Curl the band around to form a circle, and lock it in place by interlocking the slit on each end (Figure B).
4. Add the award ribbons and cap portion of the graduation cap by interlocking the slits (Figures C & D).
5. Roll up the diploma, award or certificate, and slide it into the belly band to present to the students (Figures E & F).
