Figure D

The teacher will die-cut the materials for student use prior to the lesson.

1. Die-cut the puppet pieces from colored paper.
2. Using the perforation as a guide, trim the details, and layer different colors onto the base shape (Figures A & C). Additional details may be added with crayons or colored markers.
3. The slits in each puppet hold the student's finger or a stick (Figures A, B, C & D).
